

Parents/Community Involvement in Our Schools

6 Types of Involvement:

1. **Communicating**
Designing effective forms of communication.
Communicating with all school community members on a regular and frequent basis.
2. **Parenting**
Helping to establish ways to support children as students.
3. **Volunteering**
Providing ways for parents to help and support our schools.
4. **Learning at Home**
Providing information to help families help children at home.
5. **Decision Making**
Including parents in school decisions.
6. **Collaborating with Community**
Using community resources to improve schools.
